143	18–19 November	Vienna	ODIHR	**REPORT** of the Conference on the "Advancing Tolerance and Non-Discrimination through Coalition Building and Co-operation". 144	24 November	Kosovo	OMiK	**REACT REPORT** on Responses to cases of domestic violence in light of the death of Ms. Zejnepe Bytyçi-Berisha. This report analyses the response of Kosovo authorities to cases of domestic violence in light of the recent case of a woman repeatedly subject to domestic violence who was allegedly murdered by her husband, identifying significant concerns regarding the manner in which Kosovo authorities handle domestic violence cases.		http://www.osce.org/kosovo/203051
145	27 November	Kosovo	OMiK	**REPORT** on Review of Criminal Cases relating to Failure to File Declarations of Assets by Senior Public Officials. This report reviews the response of Kosovo institutions to the failures of Senior Public Officials to file timely declarations of their assets pursuant to the Law on Declaration of Assets. OSCE monitoring indicates inconsistencies in practice across the three relevant institutions involved in criminal cases related to the declaration of assets – the Anti-corruption Agency, the prosecution and the courts – and many instances where the relevant substantive and procedural law has been improperly applied. Such inconsistencies have negative implications for guarantees of legal certainty and equality before the law as guaranteed in the Kosovo legal framework.		http://www.osce.org/kosovo/204286
