

# HATE MONITOR

JULY 2021

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

### Highlighted

In July, Gradačac and Doboј CaHs met with their respective city authorities to review the implementation of current CCAPs and initiate any necessary revisions. This represents a positive step towards improving the institutionalization of preventive measures against hate and bias-related incidents.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
