**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of the United States of America:

“Thank you, Mr. Chairman.

I also wish to thank the Czech Delegation for your very hard work in attempting to end four years of necessary roll-overs of the Scales of Contributions. You made definite progress that will we hope provide a basis in 2011 for an agreement that will put the OSCE on a sound financial footing.

The United States of America wishes to make an interpretative statement under paragraph 79 (Chapter 6) of the Final Recommendations of the Helsinki Consultations.

We would like to thank the Kazakhstan Chairman-in-Office, the Kazakh and Lithuanian Chairs of the ACMF in 2010, and the British and Czech chairpersons of the informal working group on Scales of Contributions for their efforts to bring about a just and fair set of scales of contributions for the OSCE. The United States has joined the consensus on the decision to roll over the scales of contributions for 2011, based on the last revision of the scales in 2005, as we believe it is extremely important to put the OSCE on a stable financial footing. Having these scales in place, together with the adoption of the 2011 budget on time, ensures that we can devote our attention from January onward to carry forward the work begun at the Astana Summit.

We note that the United States continues to be the largest single contributor to the OSCE. Our willingness to do so attests to the significance we attach to the OSCE and its comprehensive approach to the promotion of security, in all three dimensions. In joining consensus on the rollover of scales, the United States has made no commitment to any future increases in the U.S. contribution.

Permanent Council Decision No. 408, adopted in 2001, established a 14 percent ceiling on the Field Operations (Vienna) scale. The logic behind that ceiling remains valid and we see no reason for changing it. We intend to participate in future discussions on that basis. Moreover, it remains our view that all the criteria applied to future discussions on scales remain of equal weight.

The United States requests that this statement be recorded in the journal of the day.

Thank you, Mr. Chairman.”

**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of the Russian Federation:

“In accordance with the decision on the scales of contributions for 2011 adopted by the Permanent Council, the Russian Federation would like to express its regret at the fact that the intensive work conducted throughout the current year to move to a single OSCE scale of contributions has not met with success because of the particular position taken by a number of delegations, which has made it impossible to reach a consensus.

We hope that the year 2011 will see greater progress in this area of work, which is of importance for the Organization.

We would request that this statement be attached to the Permanent Council decision that has been adopted and, accordingly, reflected in the journal of today’s meeting.”

**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of the United States of America:

“Thank you, Mr. Chairman.

Thank you also, Lithuania, for your leadership of the ACMF to pass, for the second time in a row, a budget on time. The United States has joined consensus on the 2011 Unified Budget, as we believe it is extremely important to put the OSCE on a stable financial footing. Having the budget in place ensures that we can devote our attention from January onward to building on the results of the Astana Summit.

The United States of America wishes to make an interpretative statement under paragraph 79 (Chapter 6) of the Final Recommendations of the Helsinki Consultations.

We know that continuing years of Zero Nominal Growth has the effect of decreasing resources the OSCE needs to carry out the mandates and tasks we, as the Permanent Council, give it, a point made frequently by fund managers and the Secretariat over the course of the budget deliberations. We had hoped to see a budget closer to the Secretary General’s original proposal. At the same time, we recognize that for some participating States, tough economic choices were made to approve the budget we have before us today.

Given these realities, we must ensure that the resources we contribute are used in a practical manner, and will ask the ACMF Chair to address the issue of improving the OSCE’s project assessment and evaluation methodology in 2011, both in connection with the Program Budget Performance Report in spring and throughout the 2012 Unified Budget process.

The United States requests that this statement be recorded in the journal of the day.

Thank you, Mr. Chairman.”

**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of Belarus:

“The delegation of the Republic of Belarus has joined the consensus on the Decision on Approval of the 2011 Unified Budget without prejudice to a possible decision on the extension of the mandate of the OSCE Office in Minsk, which may necessitate appropriate adjustments to the budget of this Office for the year 2011.

I request that this interpretative statement be attached to the journal of the day.”

**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of the Russian Federation:

“In connection with the decision that has been adopted by the Permanent Council on the Unified Budget for 2011, we should like to make the following statement.

In the interest of maintaining a consensus and strengthening the compromise that has been reached on reducing budget expenditure, the Russian Federation has displayed goodwill and has supported the decision in question. We hope that this will help the Lithuanian Chairmanship to impart a timely start to the Organization’s work in the coming year.

At the same time, a number of important issues directly related to the budget process remain unresolved.

1. The situation remains unclear as regards the financing of the Community Security Initiative, a project involving interaction with the Ministry of Internal Affairs of the Kyrgyz Republic and which is being implemented through the OSCE Centre in Bishkek. In that connection, we insist on the submission of a clear concept for this project, including a detailed description of the budget and a precise breakdown between the budgetary and extrabudgetary components.
2. The practice of using Unified Budget funds to compensate local mission staff for their income tax liabilities is continuing. This is in contradiction to paragraph 5.05 of the OSCE Staff Rules and Regulations. We should like to warn in advance that this situation is no longer tolerable and that there is no point in counting on our agreement to the inclusion of these expenditures in the budget for 2012.
3. We are grateful to the Lithuanian chairmanship of the Advisory Committee on Management and Finance and to our partners for supporting our proposal to use the Head of Mission facility to look for ways of economizing on budgetary resources. We think it advisable to seek greater transparency in the expenditure of funding allocated under this item, as provided for in Permanent Council Decision No. 399 of 14 December 2000.

We would request, Mr. Chairperson, that this statement be attached to the Permanent Council decision that has been adopted and, accordingly, reflected in the journal of today’s meeting.”
